

Chippewa Fire District

As we once again prepare for winter this year, Chief Bernette of the Chippewa Fire District would like to remind residents that in the instance of a fire, firefighters need to be able to quickly locate the fire hydrant, or lives and property could be lost. The Fire Prevention Division advises residents and businesses to do the following to help keep their community safe during inclement weather:

Fire hydrants are an important safety feature of any neighborhood. They should be used responsibly and remain unobstructed in the event of a fire. Vehicles should not be parked within 3 feet of a hydrant in any direction. Residents should also ensure there is 3-feet of clearance directly around a hydrant at all times to ensure accessibility for firefighters in case of an emergency.

It is important to be careful when shoveling snow so that you do not bury a fire hydrant. Hydrants should remain visible and not blocked as this might delay fire fighters trying to distinguish a fire. If you see a hydrant that might have been tampered with, open, blocked, or damaged, please report the specific location to Village of Lake Hallie at 715-726-2660 or at the Chippewa Fire District at 715-723-5488.

Make sure your address is visible. Fire and Rescue responders use maps to get them to the area, but they need to be able to see house numbers to ensure they are at the correct location.

You should have two clear exits out of your house. Keep an eye on snow build up; when the snow melts and refreezes, it could prevent you from being able to open the door and exit your house. For businesses, make sure to clear the areas around the emergency exits so customers can exit safely in an emergency.

By following these steps it will help keep response time as low as possible under challenging conditions.

If you have any questions, please feel free to call Chippewa Fire District at 715-723-5488.

Chippewa Fire District
13140 30th Avenue
Lake Hallie, WI 54729

13136 30th Avenue

Police Department Information

The Lake Hallie Police Department provides 24 hour Law Enforcement Protection for the Village and emergency response into the Town of Hallie. The estimated 2015 population for the Village was at 6,826 with 274 businesses. The Police Department handles this task with 9 full time and 8 part time officers. Our staffing allows for 1 patrol officer 1 hours a day and 2 officers 17 hours a day, plus 1 detective 5 days a week. We do have 1 full time and 1 part time clerk at the Municipal Building during normal business hours. The Department also handles all Animal Control functions and contracts with the Eau Claire Humane Association.

The department added a Narcotics and Search Dog in October 2014. Our Canine (Kita) was the first in the history of Chippewa County (starting October 2014). Since then, she and Sergeant Dan Sokup have been extremely successful with 196 arrests and 9 successful person tracks.

Please check web page or Police Department Facebook page for more information.

Boat Landing Reminder

Vehicles parking/using Village of Lake Hallie Boat Landing are required to purchase a Boat Landing pass.
Daily Passes \$3.00
Annual Passes \$20.00
Please note that all annual passes are for a calendar year

Dog Licenses

All dogs older than 6 months of age must be registered within the Village of Lake Hallie. This license is a annual license that is good for the calendar year.

Spayed/Neutered = \$10.00
Not spayed/Not neutered = \$20.00

The maximum amount of dogs per residence is 3 with no more than 5 pets total.

Water Conservation Reminder

- Water conservation shall pertain to services connected to the Municipal Water System.
- Residents whose address ends in an even digit may irrigate on even number days and residents whose address ends in an odd digit may irrigate on odd number days.
- Outdoor irrigation season is from May 1st to September 30th.
- Hours of outdoor irrigation are between 5a.m. - 8a.m. and 6p.m. - 10p.m.
- Irrigation on July 31st and August 31st is prohibited.

Noxious Weed Ordinance

On July 2, 2018 the Village Board amended Section 8.9.04 Public Nuisances. The amendment reads as follows:
The Village Board finds that lawns, grasses and noxious weeds on lots or parcels of land which exceed eight (8) inches in length adversely affect the public health and safety of individuals as that they tend to pollinate, constitute fire and/or become a safety hazard. Therefore, any lawns, grasses or weeds located within developed areas of the Village is hereby declared to be a public nuisance and shall be the duty of every property owner to mow or cause to be mowed all grasses or weeds exceeding eight (8) inches in height, except for property located in a designated floodplain or wetland area. In addition, where the owner, occupant or person in charge of the property fail to cut the law, grass, or weeds set forth above, the village may elect to cut said lawn, grass or weeds and shall charge the expense of doing so at the rate charged for service. If not paid, the charges shall be applied on the tax roll as a special tax against said parcel of land, and the same shall be collected in all respects like other taxes upon real estate, or as provided under Sec 66.615 (3) (f) Wisconsin Statutes.

Fire Numbers

Section 4.1.06(2) Fire Numbers. (a) The owners of all structures in the Village of Lake Hallie that have been assigned a fire number shall post and display the assigned fire number in the manner prescribed by the Village Board. The fine for violating this provision is \$263.00
The original fire numbers are provided by Chippewa County for free, however, property owners must purchase their own replacement if the sign is no longer legible or missing. Please contact Chippewa County Emergency Management at 715.726.7930 for a replacement.

Important Winter Weather Information

The Police Department would like to remind residents that winter parking restrictions are now in effect from November 15 to March 31 of each year between the hours of 2:00 a.m. to 6:00 a.m. Exceptions to this winter parking restriction may be requested by contacting the Police Department prior to engaging in the prohibited parking. If a weather emergency is declared because of snow, freezing rain, sleet, ice, snow drifts, other weather events, or its after-effects, all parking is prohibited on the roadway and right-of-way.

- Make sure all mailboxes are in good shape and secured properly. The Village is **NOT** responsible if the snow from the plows knock it down.
- Just a friendly reminder to stay at least 200 feet behind the plow trucks.
- **Keep all road right of ways clear to allow for snow removal.**
- No parking on the Village roads or ditches (highway right-of-way) from 2:00 a.m. to 6:00 a.m. between November 15th and March 31st or during snow emergencies.
- Pushing snow across the roadway from private drives or parking lots is prohibited.
- In the Village of Lake Hallie there are 80 miles of roadway to be plowed. We ask for patience with our road crew in cleaning the streets.
