## Household Hazardous Waste Clean Sweep

Some household products may require special consideration in their use, storage, and disposal. Improper disposal of these products can cause fires, injuries to people and animals, and groundwater contamination. This is a **free** service to all Chippewa County residents.

### Northern WI State Fairgrounds

225 Edward Street, Chippewa Falls

**Saturday, April 13**

8 am - Noon

**Saturday, September 28**

8 am - Noon

### DO BRING

Oil/solvent-based paints	Batteries
Heavy metal paints	Corrosives
Fluorescent bulbs	Solvents
Wood preservatives	Cleaners
Waste motor oil	Aerosol cans
Fuel mixtures, kerosene, fuel oil	Oil Filters
Thinners, strippers, stains, varnish	Lead acid batteries
Mercury and other heavy metals	Antifreeze
1 lb. or 20 lb. Propane Cylinders	

### DO NOT BRING

Fertilizers	Fungicide
Radioactives	Business Waste
Explosives or ammunition	Latex paint
Biological & infectious waste	Picric Acid
Insecticide	Pressurized cylinders
	Pesticides
	Herbicides

## VSQG Clean Sweep (Very Small Quantity Generator)

Businesses and schools may recycle their hazardous chemicals at a low cost at a convenient location. *This program operates on a fee-for-service basis.*

### Northern WI State Fairgrounds

225 Edward Street, Chippewa Falls

**Thursday, April 11**

10:30 am - 1 pm

**Thursday, September 26**

10:30 am - 1 pm

**Pre-registration is required.**  
Forms available at [www.chippewacountywi.gov](http://www.chippewacountywi.gov)

## Waste Tire Collection

Chippewa County is sponsoring a Waste Tire Collection Program for all Chippewa County residents, businesses, and government agencies. This program provides an outlet for waste tires and assembles large amounts to be transported to facilities where the tires are converted to tire derived fuel (TDF).

### Lafayette Collection Dates

Located behind the Lafayette Town Hall, just south of County Hwy. X at 5765 - 197th Street.

Saturday, April 13 • 8 am - Noon

Thursday, April 18 • 1 pm - 5 pm

Thursday, May 16 • 1 pm - 5 pm

Thursday, June 20 • 1 pm - 5 pm

Thursday, July 18 • 1 pm - 5 pm

Thursday, Aug 22 • 1 pm - 5 pm

Saturday, Sept. 7 • 8 am - Noon

Thursday, Sept. 12 • 1 pm - 5 pm

Thursday, Sept. 26 • 1 pm - 5 pm

### Cornell Collection Dates

Located at the Chippewa County Highway Shop at 20250 County Hwy. K, just south of Cornell.

Wednesday, May 15 • 1 pm - 5 pm

Saturday, May 18 • 8 am - Noon

Saturday, Sept. 14 • 8 am - Noon

Thursday, Sept. 26 • 1 pm - 5 pm

Tire Fee Schedule	Res/Gov	Business
Passenger (through 15")	\$4	\$6
with Rim	\$8	\$10
Passenger (16-17")	\$8	\$10
with Rim	\$10	\$16
Truck (18-19")	\$14	\$17
with Rim	\$18	\$22
Truck (20-22.5")	\$18	\$22
with Rim	\$21	\$26
Truck (over 22.5")	\$23	\$28
with Rim	\$31	\$40
Skid-Steer	\$16	\$21
Tractor (to 28")	\$31	\$42
with Rim	\$42	\$52
Tractor (over 28")	\$47	\$57
with Rim	\$62	\$73
Heavy Equipment (under 500 lbs.)	\$68	\$78
Heavy Equipment (500-700 lbs.)	\$99	\$115
Bulk Loads	\$344/ton	\$355/ton

## Appliance, TV and Electronics Recycling Program

# FIRST CHOICE®

**525 Park Ridge Ct. • Eau Claire, WI 54703**

**715-833-2005 • [www.firstchoicerecycling.com](http://www.firstchoicerecycling.com)**

**Recycling Hours: Monday - Thursday 8 am - 5 pm • Friday & Saturday 9 am - 1 pm**

**6 Days a Week for Chippewa County Residents Only**

• Printers, DVD, VCR	Free
• TV'S & Monitors	Free
• Freon Containing Appliances (Dehumidifier, Refrigerator, Freezer, Air Conditioner)	\$20
• All Battery Chemistries (Terminals Must Be Taped with Clear Tape and Sorted)	Fees Apply
• Computers, Laptops, Cellphones, Tablets & Keyboards	Free
• Other Household Appliances (Dishwasher, Dryer, Furnace, Humidifier, Water Heater, Microwave, Stove, Washer)	Free

\* Electronics contain valuable, reusable materials like gold, steel, silver, copper and glass. They also contain harmful materials like lead, mercury, cadmium and chemical flame retardants. Recycling and reusing electronics protects the environment, conserves valuable raw materials and preserves landfill space.

\* Appliances contain hazardous materials such as mercury containing switches and temperature control devices, oil, PCB capacitors and refrigerants.

## What Your Family Can Do To...

### Glass Becomes...

Tile

## What To Recycle...

The following items must be separated from the trash and recycled:

### Aluminum Cans

### Steel/Tin Cans

### Office Paper, Newspapers & Phone Books

### Magazines & Catalogs

- Remove plastic wrappers.

### Corrugated Cardboard

- Flatten.

### Glass Bottles & Jars

- Do not break.
- Food and beverage containers only.
- No window glass, light bulbs, mirrors, or other glass.

### Plastic

- #1 - #2 plastic
- No motor oil containers, toys, or plastic wrap.

### Did You Know...

Recyclable items that are not separated from the trash end up in the landfill!

PLEASE RECYCLE!

Show your pride - Recycle!

It's up to you!

Business Hours

Chippewa Falls

Jacobson's Ace Hardware  
(Downtown): 715-861-2050  
(Lake Wissota): 715-861-2055

## Battery Recycling Requirements For Households

Wisconsin has no legal requirements, with the exception of lead-acid batteries, for disposal of household-generated batteries. These include alkaline, lithium, lithium ion, metal hydride, nickel-cadmium, silver oxide and zinc-air. Batteries come in many sizes and can be rechargeable or single use. The Department of Natural Resources recommends recycling many battery types by taking them to a drop-off site. Batteries should never go in household recycling bins. For more information, or go to [dnr.wi.gov](http://dnr.wi.gov) and search "batteries."

Lead-acid batteries, or "automotive type batteries," are banned from disposal. Consumers may bring lead-acid batteries to any Wisconsin retailer that sells these batteries for recycling. This service is free to customers who buy a new battery. Customers may be charged a fee if they bring in a used battery without buying a new one.

### Know the risk: how to prepare and store batteries for recycling

Many batteries, especially lithium ion, pose a fire risk due to their chemistries and ability to hold a charge. Batteries can spark and start a fire if their terminals touch metal or each other. The following recommendations can lower the risk of fire.

- Put each battery in an individual, clear plastic bag, or tape each battery's terminals **with clear packing tape**.
- Store batteries in a non-metal container.
  - Store swollen or damaged batteries in sand or kitty litter.
  - Keep battery labels visible.
  - Take stored batteries to a drop-off location frequently.
- Single-use alkaline batteries have little recycling value and may be safely thrown in the trash.

Batteries used in many households and office products, as well as motor vehicle batteries, contain a variety of heavy metals and other materials that can be harmful to human health and the environment if not handled properly.
